			Cabinet INOX / INOX	4 499,90 €
		external w x d x h [mm]: 2100x800x2000 + vv	COOLING SYSTEM ***	3 490,01 €

Dimension "vv"=130-530mm - height increasing due to the configuration, feet (130mm), unit cover (400mm).

* Examples of cabinet equipment and application - containers, trays and grill are not included in the basic price.

** Cooling unit in the block configuration on the cabinet's ceiling (including automatic defrosting and condensate management).

The cooling is with the forced air circulation, the evaporators do not interfere to the internal cabinet's room. All controlled features (temperature, lighting, defrosting...) are integrated in control panel, which is built in the front cover in the cabinet's upper part. Cooling device is designed for the storage temperatures range from -2°C up to +10°C with ambient temperature +25°C.

*** Cooling system = evaporators + control panels + common condenser cooling unit (CCU),

which can be placed up to 15m from the cabinet. (copper pipes price will be calculated upon real consumption).

It is necessary to ensure air ventilation of the condensing heat of CCU and the ambient temperature of CCU from 0°C up to +32°C.

Each room has its own evaporator and control panel, where all controlled features (temperature, lights, defrosting...) are integrated.

Entire control panels are built in the front cover in the cabinet's upper part.

Cooling device is designed for the storage temperatures range from -2°C up to +10°C with ambient temperature +25°C.

Basic configuration:

Cabinet with PUR insulation, thickness 50mm, door with self-closing hinges (the opening direction is adaptable), magnetic gasket.

Cabinet price without evaporators and control panels (part of cooling unit or cooling system)

Excluding KOMBI, the delivery is expected in dismantled condition, prices quoted are without assembly.

Accessories and Optional Equipment:

Stands -holders of adjustable pull-outs (spacings as integer multiple of 30mm, specify opt. for grills w.530 mm or opt. for gastro containers), set price for the room behind 1 wing	26,25 €
1 pull-outs pair (for gastro containers, grills as well as trays)	8,08 €
